

## NEGOTIATIONS UPDATE

Progress has been extremely slow as Albertsons, Ralphs and Vons insists on shifting up to 50% of their employees' wages to pay for health

Community leaders, clergy, labor leaders and union workers rally to fight for good jobs in our communities. A June 28th, rally brings hundreds to the Vons Headquarters in Arcadia, CA. Their message no to shifting up to 50% of worker's wages to pay for health care.

Workers have been without a contract since March 6, 2011

Show your support to workers where you shop and let management know, that we have the community and consumers on our side in this fight. Please sign our support form at [www.ufcw770.org](http://www.ufcw770.org) and learn how you can Adopt-A-Store.

Negotiations are currently scheduled into the month of August.
